Year 2018-19  
Issue: August-19

*The Newsletter of Computer engineering department, Government Polytechnic, Dahod*

## MESSAGE FROM HOD DESK

I am honored to publish the 2018-19 departmental newsletters which embody our efforts to give our society competent diploma computer engineers. The motto behind newsletter is to give a technical platform for students to bring out the hidden talents as well as to showcase the achievements of the department. The emphasis is just not academics but also on all round development of students.

## VISION

To prepare competent rural youth by catering soft skills and technical expertise in the computer field through a conducive learning environment.

## MISSION

- M1 : To implant professional attitude, moral values, technical expertise and innovative capabilities.
- M2 : To prepare skilled computer engineers for specialized careers along with higher studies.
- M3 : To enhance liaison with industry and academics for maximum exchange of knowledge and skills.

## PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

- PEO-1: To work as a Computer professional using the core competencies of computer engineering and allied disciplines
- PEO-2: To provide Integrated Solution through computing and user interface, resolving professional, social and environmental problems
- PEO-2: To develop systems for individual and organization problems as an entrepreneur.

## EXTRA CURRICULAR ACTIVITIES

1	19/07/2018	Orientation Programme for first Year Students
